

The Words of the Donkey and Colt

A new poem by Simon Foster

“Jesus lacked transport
He used us, yes he did!
Can you believe it?
We carried him!
Mom and son
Yes, we did!
God’s Son, on our backs!
On the backs
Of donkey, mother and son.
Help humans to carry him
In their words and actions
He is their holy passenger
Our holy passenger he is.
May we convey Jesus
Convey that love to all
That love on the cross
That love in Empty Tomb
Donkeys can’t talk
Really? O, yes they can!
Across time! Across species!
Through story’s power
These are our words
Words of donkey and colt”
